

2 March 2011

## **DRAFT Version 5**

### **Fraser Common Farm Coop Proposal Guidelines**

1. How does your proposal align with FCFC's Vision and Core Values?
2. How does your project further FCFC's Goals?
3. How will your project affect the natural systems (such as land, wildlife, water ) at FCFC in the short and long terms?
4. What impacts (positive and negative) will your project have on other people living and working on the farm?
5. What resources/support will you need from FCFC to launch and operate your project?
6. How will you wrap-up your project when it's over?
7. What legacy will you leave the farm?
